Nkosi is an **accredited domain registrar** and supplies products and services at competitive rates **only upon acceptance of terms and conditions of service** published on the nkosi.co.za website here: <https://nkosi.co.za/basic-terms-conditions-of-service-tc/> Nkosi has **various prices for the same product** or service **depending on when the client chooses** to do payment. Certain products and services are offered and supplied subject to regulations and laws of South Africa. When products or services are not paid after the due date such products and services are deleted. This will result in total data loss and/or final loss of IP including, but not limited to: domain name registration(s). Some products and services only have a single or two of the above rates. Sometimes it is possible to restore certain products or services at a flat application rate of R285 Existing clients can apply to transfer between the three payment rates at a flat application rate of R245
